

Ukulele Summer Institute 2019

<https://ukuleleorchestra.org> ~ 303-984-0777

Open to **ANYBODY** who owns an ukulele and wants to get better at playing it!

We'll be teaching plenty of skills all summer and we'll rawk music (mostly) from outer space. Main topics are supplemented with real songs, raucous laughter, and plenty of mistakes. No registration necessary for most classes. Every year we update courses and offer new ideas even for experienced players. **Monday night classes are \$10.**
Need another way to do ukulele? Private lessons, new and used instruments, or repairs. Call 303-984-0777.
